## Temescal District Annual Awards Nomination Form

### Award description and guidelines:

Temescal District's "Of the Year" Awards are presented to individuals who exemplify the Scout Oath and Law in Scouting as well as in everyday life. This is the person who goes above and beyond in helping others and shows what Scouting is all about.

**Note:** Every scout deserves a trained leader. Being trained for their position is a critical factor in consideration for a district award and ***adult awards will not be presented if the person is not position trained.***

Start early and make sure your nomination is submitted before the deadline.

By meeting the deadline, you ensure that if your nominee receives an award, they can attend the recognition dinner and invite others to attend.

Recipients of these awards will be recognized at the Annual Temescal District Volunteer Recognition Dinner held in January.
